

DREAM ACADEMY

Dear Families, Welcome to Dream Academy School.

This year we will use ClassDojo to communicate between families, students, and teachers.

You will be able to Download this app on your mobile device. Your student will have this app on their computer located in Clever. We look forward to starting this year with a great and easy way of Open Communication.

Below is a link that will bring you to Dream Academy School ClassDojo mobile app.

<https://www.classdojo.com/invite/?s=62e01c6d13b82534480d3369>

Thank you for participating in using ClassDojo to help us stay in the best communication throughout this school year. If you have any questions about the app or how to use and download please feel free to email me any time.
