ABOUT Me!

I am a mama to a beautiful little girl and happily married to my high school sweetheart. I love working on projects around the house and going on adventures with the family. We love being out on the water and tanning on the beach. I have a background in Special Education and have been in the field for six years.

MY EDUCATION

I have an Associates Degree in General Knowledge from Valencia College and I am currently working on my Bachelor's degree in Exceptional Student Education at UCF.

WHAT DO I DO?

I am the Success Coach for our Space Coast, Orlando and Tampa/St. Pete areas. I am here to make your school year at Dream Academy go smoothly and to help you succeed in any way possible.
