ABOUT ME!

I was homeschooled. I am a mom of three littles aged 6 (girl), 4 (boy), and 1 (girl). I have been married for what will be 6 years in November. Kindness and empathy are at the forefront of things I see as important. I love to create things. I have dabbled in almost anything you can think of: pottery, sewing, drawing, painting, videography, photography, multimedia design and more. I have seven fur-babies

MY EDUCATION

I received my High School Diploma from Connections Academy. I'm currently working on a Micro Masters in Leading Educational Innovation and Improvement from The University of Michigan. I am also currently working on a B.A. in Psychology and Addiction Studies from Aspen University.

WHAT DO I DO?

- I oversee our academic department, here at Dream Academy. I ensure all of our Success Advisors are set up for success and possess the resources they need to service each and every one of our families.
- I am extra support for anything families may need. My virtual "door" and my actual office door.. is always open to our families
